

Section 5
Proposed Amendments
to **Volume 4 Village Plans**
of the Draft CDP

Proposed amendment ref. no.	Text of the proposed amendment	Page number in Volume 4 of the Draft CDP	Source of the proposed amendment
Chapter 37 – Ballincar Village Plan			
PA-193	<p>In Section 37.2.5 Wastewater treatment, modify objective A as follows:</p> <p>A. Require any proponents of new development to make a pre-connection enquiry about the feasibility of a connection to Uisce Éireann wastewater infrastructure. Connections to the network will be subject to feasibility assessment via UÉ's New Connections process, as well as UÉ's <i>Connections Charging Policy</i>.</p>	Page 13	<p>Second CE Report, Volume 1, Section 4 Submission 119 Uisce Éireann (UE) CE-37-01</p>
Chapter 41 – Carney Village Plan			
PA-194	<p>In Section 41.2.1 insert the following additional objective:</p> <p>D. Provide a looped walk around Carney village (and on to Ballygilgan beach) by extending the existing forest walk from the Cashelgarran Road eastwards to the L-3303-0 at Ballygilgan and by providing a new footpath along the L-3303-0 back to the village centre.</p>	Page 22	<p>Second CE Report, Volume 1, Section 9 Supplementary CE Recommendations - Miscellaneous issues CE-41-01</p>

Proposed amendment ref. no.	Text of the proposed amendment	Page number in Volume 4 of the Draft CDP	Source of the proposed amendment
Chapter 42 – Castlebaldwin Village Plan			
PA-195	<p>In Section 42.1 Village profile, modify the second sentence as follows:</p> <p>The new <i>N-4 Collooney to Castlebaldwin</i> realigned route, to the east of the village, was officially opened in 2022 2021.</p>	Page 23	<p>Second CE Report, Volume 1, Section 9 Supplementary CE Recommendations on Transport CE-42-01</p>
Chapter 43 – Cliffony Village Plan			
PA-196	<p>In Section 43.2.4 Wastewater treatment, amend objective A as follows:</p> <p>A. Pursue, in co-operation with Uisce Éireann, the upgrading of the wastewater treatment plan to ensure it is fully compliant with current standards the provision of license-compliant capacity. In the interim period, applications for connection will be assessed on an individual basis by Uisce Éireann considering their specific load requirements. Minor developer-funded improvements may be required.</p>	Page 29	<p>Second CE Report, Volume 1, Section 4 Submission 119 Uisce Éireann (UE) CE-43-01</p>
PA-197	<p>In Section 43.1 Village Profile insert additional text as follows:</p> <p>Cliffoney is the last village on the N-15 before the Sligo/Leitrim border that lies a further 6 km north of Cliffony along the N-15. The village centre comprises a streetscape of mainly two-storey, 19th Century buildings on both sides of the N-15, which is the Main Street.</p>	Page 27	<p>Resolution No. 24 of 22 April 2024 (on foot of Submission 137 – Tom Watters)</p>

Proposed amendment ref. no.	Text of the proposed amendment	Page number in Volume 4 of the Draft CDP	Source of the proposed amendment
	<p>Cliffony has adequate wastewater treatment facilities, therefore it is possible to allocate a population growth target to the village (308 PE).</p> <p>The village has been nominated for inclusion in Uisce Eireann Small Towns and Villages Growth Programme for an upgrade or provision of a new WWTP. A strategic assessment has been carried out on the existing WWTP.</p>		
PA-198	<p>In Section 43.1 Village Profile, amend the table entitled Cliffony Village Assets (refer to the revised table Cliffony Village Assets in Appendix 1 of this document)</p>	Pages 27-28	Resolution No.24 of 22 April 2024 (on foot of Submission 137 – Tom Watters)
PA-199	<p>In Section 43.2.1 Transport and Circulation, insert additional objective B as follows:</p> <p>B. Support the provision and improvement of pedestrian links/access from the village to the natural amenities by providing walkways and open space and by requiring the provision of such facilities in conjunction with any development of adjoining lands.</p> <p>The nearest public car park is 1 km away located at Creevykeel court cairn.</p>	Page 28	Resolution No.24 of 22 April 2024 (on foot of Submission 137 – Tom Watters)

Proposed amendment ref. no.	Text of the proposed amendment	Page number in Volume 4 of the Draft CDP	Source of the proposed amendment
PA-200	<p>In Section 43.2. Village specific objectives, insert additional sub-section 43.2.5 Business and enterprise as follows:</p> <p style="padding-left: 40px;">43.2.5 Business and enterprise</p> <p style="padding-left: 40px;">A. Facilitate the development of tourism-related local enterprise initiatives and facilitate establishment of local business.</p>	n/a	Resolution No.24 of 22 April 2024 (on foot of Submission 137 – Tom Watters)
Chapter 46 – Curry Village Plan			
PA-201	<p>In Section 46.2.2 Transport and circulation, amend objective B as follows:</p> <p style="padding-left: 40px;">B. Seek the improvement of pedestrian links across Active Travel facilities along the N-17 national primary road within Curry village, possibly by providing a pedestrian walkway at the N-17 bridge, subject to Habitats Directive Assessment.</p>	Page 37	Second CE Report, Volume 1, Section 9 Supplementary CE Recommendations on Transport CE-46-01
PA-202	<p>In Section 46.2.3 Village centre, amend objective A as follows:</p> <p style="padding-left: 40px;">A. Any development or redevelopment proposal on lands between the Main Street and the N-17 should be designed to provide an appropriate aspect when viewed from the N-17. Substantial proposals for landscaping and boundary treatment along the national road should also be incorporated into any such proposal, taking account of TII Design Standards regarding clear zone and forgiving roadsides (currently Design Note DN-GEO-03036).</p>	Page 37	Second CE Report, Volume 1, Section 9 Supplementary CE Recommendations on Transport CE-46-02

Proposed amendment ref. no.	Text of the proposed amendment	Page number in Volume 4 of the Draft CDP	Source of the proposed amendment
Chapter 48 – Drumcliffe Village Plan			
PA-203	<p>Insert the following additional objective:</p> <p>48.2.3.C Improve public transport and active travel infrastructure within the village in conjunction with the TII and the NTA.</p>	Page 42	<p>Second CE Report, Volume 2 Submission 35 Michael Kirby CE-48-01</p>
Chapter 52 – Riverstown			
PA-204	<p>Modify objective 52.2.2 as follows:</p> <p>52.2.2 Circulation</p> <p>A. Seek to provide pedestrian links between the village and surrounding natural amenities (Unshin River and Douglas River), whilst also connecting with the Folk Park and community facilities. The provision of such links will be required in conjunction with the development of adjoining lands, and shall be subject to Habitats Directive Assessment and the maintenance of the river buffer.</p>	Page 50	<p>Resolution No. 14 of 15 April 2024</p>

Proposed amendment ref. no.	Text of the proposed amendment	Page number in Volume 4 of the Draft CDP	Source of the proposed amendment
Chapter 53 – Unserved villages			
PA-205	<p>Modify the last sentence as follows:</p> <p>Sligo County Council, in co-operation with DHLGH and Uisce Éireann, as appropriate, will pursue the provision of wastewater treatment facilities to serve these villages.</p>	Page 51	<p>Second CE Report, Volume 1, Section 4 Submission 119 Uisce Éireann (UE) CE-53-01</p>
