

THE FUTURE OF SLIGO STREETS

Sligo County Council intend to enhance Stephen Street, Holborn Street, Rockwood Parade, Tobergal Lane and Water Lane as part of the Sligo Public Realm Enhancement Project.

The 2018 Sligo Public Realm Plan set out to enhance the image and setting of this historic city through improvements to its streets and spaces, conserving its built heritage, encouraging people to explore, enabling businesses to flourish and creating a vibrant street scene.

We are working on a design for these streets in line with the Public Realm Plan and we want your help.

In line with the 2018 Public Realm Plan, Sligo County Council intend to enhance Stephen Street, Holborn Street, Rockwood Parade, Tobergal Lane and Water Lane (see red arrows on the map above).

The Public Realm Plan set out to create a vibrant city centre, while celebrating the unique heritage and culture of Sligo. Our design for these streets builds on this vision and aims to inspire residents, visitors and local businesses by providing attractive, healthy and safe spaces to enjoy.
